**ADULT EDUCATION, OPEN TO ALL --- Exploring the Big Questions of Science and Religion with a Vatican Scientist**

Presentations on DVD will begin on March 12th in the Parish Hall between 9:00 and 11:00 a.m. Masses. Afterward Bob Hildebrand will moderate a discussion

While science and religion have often been seen as contradictory forces. in reality they complement each other. Indeed. Catholics have often been at the forefront of scientific discovery. Your guide, Br. Guy Consolmagno, S.J.. an astronomer and President of the Vatican Observatory Foundation, deals with big things-stars, galaxies, and Unfathomable distances-as well as the most profound aspects of existence: the hows and whys of the universe.

In these presentations, we will ask: Does science need God? And: Is the Big Bang Compatible with a Creator God? As you will see, such questions don't have simple answers. Instead, you will discover new ways of thinking about them: not finding concrete answers to these questions, but rather asking them anew with wit and wisdom. In doing so., you will gain a richer and fresher understanding of the world.

Questions: Contact Bob Hildebrand (321) 779-8444.

**ELIJAH CUP**

This has been a blessing for our families who have spent a week in prayer with Fr. Nolan's consecrated chalice in celebration of something that was very near to Fr. Nolan's heart - praying for vocations. Please contact Dr. Bill Klein today if you would like to have the Elijah Cup in your home, or would like to see which upcoming weeks are available for 11:00 a.m. Mass. Call 321-794-1322 or email [dogtorbill@gmail.com](mailto:dogtorbill@gmail.com).
